Privacy policy

We respect your privacy and personal sphere. Due to this protection of your private data when using our website is important for us.

You can visit the internet sites of Huber Technology without having to disclose your personal data. The only data we have access to via the log files on our server are your IP-Adress, the name of your internet provider, which sites you have visited when and how long. These data are used for fully anonymous statistical evaluation of efficiency review and as a basis for our efforts to continuously extend and improve our internet service.

Personal data are only recorded if provided of your own free will, for example when ordering literature, quotations or applying for access authorization to our download area. Your data will be strictly kept within the HUBER group and its representatives and used only for processing your inquiries and requests ; they will never be disclosed to any third party.
